-number of men 42, is shown by the Capt Bur-
-roughs' Report -

The men are all young, healthy, and of excellent habits, attentive and obedient to their officers and ambitious of improvement - The' my companies are incomplete I feel confident of being able to recruit the balance in the way - Capt Williams is doubtless now with the army with from 80 to 100 men, as he left here with that, or more than that number - Capt Lawrence also left this place with 43 men, and is probably at this time in the country -

I have to report the following disbursement of funds furnished by myself for the use of my battalion, a part of the Army of Reserve -
