[illegible]

[illegible]

is a part of the [illegible] written across the face with the [illegible] cancelled [illegible] [illegible] [illegible] certificate [illegible] was issued [illegible] [illegible] [illegible] some [illegible] years [illegible]

At the last [illegible] [illegible] got a bill passed authorising the Comptr. to give an unconditional certificate for the amount he held which was done [illegible] certificate, therefore, being [illegible] part of the same money, marked & cut in two, as above stated, I wish changed for an unconditional certificate, which I hope the Comptroller will not hesitate to do, as it is authorised by law under which he has already acted — Also a certificate from Col. [illegible] duly authenticated, for a $1000 advanced for the defence of the Govt. which is submitted for the action of the Comptr., it is [illegible] [illegible] [illegible] that of the Legislature —
