This is to certify that I James Herendon who was a member of Lt. John McGarrahs company of Texas Rangers, who served in 1845 did purchase and pay for what ever pay was or might be due Rufus Anderson for his services as a member of the same company, and that I am entitled to what ever pay may be due him for his said services. – And I further swear that the said Rufus Anderson for whose pay I now apply through my attorneys is the same identical man who served in said company by that name

James Herendon

We, Gallatin Searcy & George McGarrahs both members of Lt. John McGarrah's company of Rangers who served in 1845 were personally well acquainted with James Herendon & Rufus Anderson members of said company, and from our knowledge at the time of the circumstances we believe the facts set forth in the above affidavit of James Herendon to be true – and we know the said Anderson to be the same man who served in said company
