Mr Shaw

Sir:

By last Mail I received my own Script but I heard nothing of the script of John Mills for which I sent you the proof; I sent it enclosed with some of Mr Sam Smiths and for his, Script has been sent, but no mention made of Mills. You will excuse me for troubling you so often but I wish to leave and as I do not know whether you have sent it or not I cannot do so until I get an answer.

Most Respt'ly
Your Servt
