3000 –
3150 17
8.150.17

Samuel B Shaw
Compt

Certificates sent
to Wm Moore
New York city
May 12th 1849.

P.S. See the Powers of Atty given by me for parts of my pay, were given as collateral security for the payment of my individual notes given for supplies furnished for the use of the Navy and were cancelled by the special act of the late Legislature, for the relief of persons who furnished supplies for the Navy on the individual credit of Port Captain E W Moore" and they are consequently null and are hereby declared so by me.

E W Moore
