Dr Sir

Your of the 3d March is at hand. I herewith enclose Certificates of Wells & Wilber - I would send Brasheas' but a gent. by the name of B. R. Morsell notified me some time since that he was about to adm't. upon the Estate. and I concluded it was best to wait until he sent the certificate of his appointment as administrator. The amt due Brasheas according to the records is about. $2000.00

Your ap amounting to $6.146 66 has been received. The attorney Genl. is absent. but should he give his opinion that it was a legal claim we could not then audit it with out special authority of the Legislature -

I regret that I cannot comply with your request to furnish you with a "list of the claims filed & certificates issued under the law to ascertain the debt of Texas giving the names and residence of the Parties
