Gentlemen

I herewith enclose you sundry Pay Tickets numbered from 1 to 23 inclusive, that were taken up by me as per statement accompanying, except that of Midshipman Geo. W. Parker, which was included in the statement by mistake -

I sent you on the 17th July one of the abstracts made out and certified to by Geo. C. Thomas, Commissioner for Texas in the City of Washington D.C. - the other and I think I had better keep for fear of failure by the mail - and therefore I send you a copy now -

If you will oblige me by sending the certificates to me at "Charlottesville Albemarle County Virginia

Very Respectfully
Your Obt Servt -
