December 29th 1853

Dr Kuman Dear Sir

I had a soulders discharge handed in the auditors office by Judge Brace and it was received I wish you to collect it if there is means and bring it to me and if there is no means fix it the best you can in scrip, or any way you think propper to my adbantage an I will be satisfied this letter will show that you have power to collect as my atorny attend to it if you please,

I expect to send a petition up there to have this neck of polk county cut and attached to walker County I wish you would use your influence to that effect and confer alasting favor on your friend

W. S. Morton
