Dear Swisher,

I enclose Capt Manning's original acceptance of Eades as a substitute for Pahl as a private in his company Eades substituting for James who was the original substitute for Pahl, this acceptance is deemed conclusive that Pahl is the proper owner of the claim, You will therefore hold on to the audited scrip until Mr Pahl calls for it in person or by attorney and if You should require any further proof in regard to it please advise me and it shall be sent up as any amount of it can be made.

Yours Truly
