Dear Sir,

Yours of yesterday with the enclosed has this moment been handed us; for the ardent zeal which you have manifested in our righteous cause we truly thank you; while at the same time we cannot forbear complimenting you on the ability with which your article is drawn up. We solicit, Sir, the pleasure of an interview at Bishops at any hour you may designate, knowing that congeniality of sentiment and feeling must prevail between yourself and the Commissioners of Texas

With great respect Your's &c
