Note: Simon Bradley — the Captain of the Washington, and Mr — Moore on board of that Vessel, saw the men from the Mcatecha plundering the Custom-House and said to them "Boys you are doing Wrong." and it can be proved that they had an Auction of the stolen goods on board the Mcatecha.

Captn Falcoll will Swear that "Some time before Mr Perry arrived, a Small boat came to the Mcatecha and informed that he was coming to search for his goods, and the hands immediately bundled them up and sunk them, and When he, Perry, got on board, his goods lay each side of the Vessel at the bottom of the bay."
