Personally appeared before me the undersigned authority Hon R. H. Guinn of Cherokee County to me well known, who on oath says; I presented the discharge of Richard Pollard for pay, for his services in Capt H. M. Stout's Company in 1839, to the Court of Claims previous to 1st January 1858, and was informed that there was $94 49/100 due him for said service; and that the pencil marks "See roll 83, J Snively's disbursements of 1840, $94 49/100" were made in said office at that time. Deponent further states that he was informed that it was only necessary to obtain a Power of Atty to enable him to draw the money; and that he simply without use the discharge in order to get said P/A. He therefore desires the discharge filed and the necessary warrant drawn upon the Treasurer for payment thereof.
