Bellville Austin Co Texas
July 28th 1834

Hon. James B. Shaw.

Sir.

Inclosing you will find a Voucher, regularly proven out by me for services rendered the late Republic of Texas in the Spring of 1842. against the Mexicans under Genl. Vasquez. or rather an outfit for that purpose, — But as you know, the matter ended so suddenly, that I — with all the rest — never reached the scene of action,

Will you be so kind as to audit the claim, and send it to me at this place?

Respectfully Yours
S. H. Kearney —
