I will give some explanation relative to a part of the foregoing when I left home in 35 for the army I overtook the canon and General Austin sent orders back to detach of those who were going to the a sufficient number to ensure safety. Consequently I kept with the canon on until we [illegible] Gonzales

Relative to the proof about the Oak plan I think by going to Chocholate Bayou I may be able to obtain some and perhaps also about the middle years &c &c
