Personally came before me the Subscriber James H. Graham President Judge of the Court of Common Pleas of Cumberland County and State of Pennsylvania Robert McCartney who being duly sworn doth depose and say the he is now about forty three years of age and that he hath known the Gilmore family from his boyhood up and that P W Gilmore is or was the brother of John C Gilmore, Rebecca Gilmore now Rebecca Armstrong and Mary Gilmore whose parents are now dead. That P. W. Gilmore left this County twenty years ago or thereabouts, and that the said Robert McCartney heard nothing of the said P. W. Gilmore from the time he left till about twelve years ago at which time and ever since it was and has been the common report and rumor, that the said P. W. Gilmore was dead, among his friends and others. And from every thing and all the information in his possession he doth truly believe that the said P. W. Gilmore has been dead about that length of time.

R. McCartney

In testimony whereof I hereunto set my hand and seal this Fourth day of Febuary A.D. 1884.
