

AUDITOR'S OFFICE,

Houston, July 24 1837

This day came *N. Winter Smith* — and says the  
annexed instrument is just, true and original, and the only one that he  
has offered for liquidation: that he owes the government nothing on his own account,  
or on account of any other person. *and further states that he has received  
no returns in kind*

Sworn to before
