Nacogdoches Sept 3d 1849

Jas B. Shaw Esqr

Dear Sir

As it is uncertain if I'll be at Austin before the 1st of November, I have taken the liberty to inclose to you the Muster Roll of a Company I commanded by order of the War Department in 1840 — whatever is to be done to it, in the shape of Claims against the late Republic of Texas — have it attended to for me by someone, and I'll make all right on my arrival at Austin.

Yours respectfully

A. Ellis
