Law – I know & regret that it is so, because I believe that you would not do what I complain of, if you could help it –

Will you do me the favour to request Mr. Swisher to lend the amt. of my Certificate in Notary Bonds at 3 per cent premium, as advertised by the Treasurer, & and accept my thanks for your uniform kind wishes.

Believe me, with great respect Yr. Obt. Servt.

Saml. Swartwout
