Before me the under signed authority, personally appeared William H. Moore to me personally well known who after being by me first duly sworn according to law states

That he was in the Mier Expedition and that Doctor Towers was also in the Mier Expedition; that Doctor Towers was killed in the fight just before they surrendered. Saw Doctor Towers, that and did know him well only one man in the expedition by the name of Towers - knew him also Labahan before they went on the Mier expedition thinks his name was J S Towers there was no other Towers in the expedition. —

And at the same time and place also appeared before me personally John R Tally to me well known who after being sworn according to law states he knew Doctor Towers well; knew him in this County; he was usually known, and called Doctor thinks his name was Doctor J S Towers - And affiant further states that the foregoing facts stated by William Moore in regard to Doctor Towers being killed at Mier and that Doctor Towers was in the Mier Expedition he is satisfied is true
