Philadelphia 13 July 1846

Gentlemen

I returned from Washington on Saturday evening and brought with me a copy of the proceedings in the War and Treasury Departments on the final settlement of your claim with the United States for the Texas Markets according to the arrangement. This I enclose you and you will perceive that your claim of $3472.65 for interest, expenses &c. is not only not waived but expressly recognized as "the ground of a separate claim ~~of the~~ against the Republic of Texas".

I also enclose you the original contract, letters, accounts and other papers that you may have all the documents in your possession

As no reply from you to the letter of Mr. Dallas and myself of the 8th instant, enclosing the Treasury Warrant in your favour for $7309.15 had reached here when I left, I shall be glad to know that it came safely to your hands.

Very respectfully Yours
H. D. Gilpin
