Sir,

Galveston October 15th. 1849.

I herewith forward you my Bill for services in the Texas Navy. I went on duty, under Capt. Hinton July 30th. 1839, and resigned under Commodore Moore May 7th. 1841. – The account is principally made out from my Journal except the estimated item for clothing, and slops which is considered a full and fair allowance. The Navy scrip was worth at that time only 30 per. cent. – I have never received any other pay from the Government; and the whole statement is to the best of my knowledge and belief a just and correct account.

If you will please Audit the account you will much oblige your
