Danville in Montgomery County
1854 May 20.

My Dear Sir

Drafts duly received and I feel grateful and particularly honored by the remark "Which we hope will meet with your approbation" feeling much larger than previous to reading it and so on. Hope you will live 1000 years. your shadow never be less when you go to shadow land. and when spiritualized that you will be a lively spirit and so on

Yours truly
Stewart
