Personally appeared before ~~the undersigned authority~~ and who, being both duly sworn, depose and say that they are personally acquainted with John St. Clair, that he was a volunteer in the expedition to Mier, under command of General Somerville; that he was present and participated in the battle at Mier in the month of December A.D. 1841; and escaped at the time of the surrender. They further depose and say that the said John St. Clair is the identical person whose name appears upon the muster Rolls of said Command as William St. Clair by mistake, as there was but one person connected with the expedition by the name of St. Clair, and the said John St. Clair is that one.
