Houston 23rd Oct. 1837.

At Amory Esq.
Austin,

Dr Sir,

Annexed is the recpt of Messrs. Allen for the chairs and tables I found at and left in the capitol - also their bill against the Government for the deficiency - and which is referred to you - the bearer Mr Ingram, is I suppose under instructions from the Messrs. A, as to the proceedings he is to take -

Our town looks desolate indeed - my clerk, Wm C. Baker, (formerly in the Adjt. Genl. Dept.) was buried yesterday - I regret his early death most sincerely - as yet, Mrs. I, and the children keep well - but God only knows how soon some of us may be taken down.

Respectfully
and sincerely yours,
Alden A. M. Jackson.
