To A. Brigham Esq.

Dear Sir,

James Alley has performed a trip as expressbearer with the writs of election &c. from here to San Augustine, I have paid him the money expended on the trip for expences, you will please audit the account & allow him what is right as the horse sent on the trip belonged to me I feel a delicacy in setting any price, you will therefore be good enough to do so and he can arrange with me. I paid Mr Wood for the same trip, only he returns to Liberty where he resides $3.00 p day allowing 18 days) in cash, Mr Ally will satisfy you in regard to the number of days actually in that employ, he was detained 3 or 4 days at Columbia

Respectfully
