Houston Jany 31st 39

Gentlemen,

I have a commission from Genl Sam Houston, as private Sec^y and Interpreter or Translator to the Commander in Chief dated 13th August 1836 and accepting my services as a volunteer — at the time the Genl left Nacogdoches for Columbia about the 1st of October 1836 I furnished myself with a Horse arms and Complete outfit to accompany him according to his directions, and the day before he left I was taken sick and directed by him to await further orders, which I did not receive, and remained in ill health during two months — Genl Houston was inaugurated 22^d October 1836.

Under these Circumstances I am desirous to obtain such land and pay as the board may accord not to exceed three months, and present for inspection the accompanying papers —

(TX) Respectfully
Nathl Amory.

To the Hon
the Auditorial Court.
