MILLER & SAYERS,

ATTORNEYS AT LAW,

Gonzales, Texas, June 22d 1874

Col. Stephen H. Darden.
Austin.

Dear Sir: An application is pending for Pension for Winfield Alford, which we have not heard from, for a long time. Will you please, be kind enough to look into in the papers and advise us if you will issue a Certificate, so that we may know what to do in the matter: For abundant Caution, although Alford has proven his service by Jno Burleson & Dr. Polk, we forward his own affidavit, and will in a few days support it by the affidavit of T. J. Allcorn of Washington Co. Please be kind enough to let us hear from you on this subject at your earliest Convenience

Yrs truly Miller & Sayers
