Office of John T. Stark,

ATTORNEY AT LAW.

General Land and Collecting Agent,

Will practice in the Counties of Orange, Jasper, Newton and Jefferson.

Orange, Tex 187

Citizens who ~~should~~ have it seems to me already suffered enough, Mr McCall then goes on to say that "Scrip Berry April 21st 1879 has been issued to C R Johnson & Spencer for J W L Johnson." This it seems to me is not right. I cannot think that there was any authority for such a course, and is directly opposed to right and justice.

I do not propose to take any further steps in this case until I see Mr Berry. I know he is not able to employ another Attorney at Austin—and of course he has the right to his warrant by mail or in any other way he may direct at least so it seems to me

I have the honor to be very respectfully yours &c

John T. Stark Atty
in fact for S Berry
