Gen Bledsoe, Comptroller &c
Dear Sir

In Decr last I visited your office to inquire about the pension law.

I joined the Texas Army in Dec. 1836, as a "Citizen Volunteer" for during the war. Commanded Co B Wigginton's regt several months and was then transferred, as a 1st Lieut. to Col Karnes's regt. This regt was discharged in the summer of 1838, and I resigned some months after.

Am I included in the new pension law? I will pay any necessary fee, or percentage, to you
