State of Texas } Personally appeared before
County of Robertson } the undersigned authority
Henry Woodland &

J. H. Calvert. Credible citizens of said State to me
well known, who after being by me
duly sworn on their oath say that
they can not swear positively of their
own knowledge that Alfred L.
Bryance, was a soldier in the
army of the Republic of Texas & a
Mier Prisoner in the year 1842; but
they have mutual recollections of many
incidents that occurred in said
army and in said Expedition in
1842, which convince them that
said Bryance was in said
Army and Expedition, and
they believe him to be justly
entitled to a pension for services
rendered, under the act granting
pensions to the surviving veterans
of the Revolution which separated
Texas from Mexico approved
August 13 1870. - that said Bryance
is about fifty eight years of age
