Mr T Voigt

Dear Sir

Enclosed you will find the affidavit of Mrs Brooks which through mistake I failed to send. I hope you will excuse me for making such a mistake; I was not light that I should send such blunders. I had the affidavit and power of Attorney in the same envelope with your letter, and when I wrote to you instead of enclosing the affidavit I supposed I enclosed your letter with the Power of Attorney, I had destroyed the other affidavit, and consequently had to wait until I could see Mrs Brooks after getting your letter before replying. Hope this will be satisfactory

After you get the bond sent
