from County Court - this is my first case of the kind and it somewhat bothers me to get a right start - My reason for writing you is that I see from the Law Acts 15th Legislature Page 62, Sec. 12, Chapter 43.d that you have to be made satisfied about the rights of the party claiming - Benjamin Burke served in the same company with Barnet Hardin and Judge Holhouser of Polk County - they have already obtained their pensions, so they write - Yours very truly -
