a fight with the mexicans, and that the Mexicans were whipped, That the said battle was fought at Nacogdoches on 2nd day of August 1832, by the Texans against the mexicans. That the said Austin Burnett was a soldier on the side of and in behalf of the people of Texas, and was a member of Capt Brodshaw's Company as aforesaid — That I was not a soldier at the time being too young — but was all through the camps, and was about as well posted as a boy would be under the circumstances. That I saw the said Austin Burnett on the day of the battle of Nacogdoches in said Company, and as a soldier on the side of Texas. That I saw him go into the fight and saw him after the fight on said 2nd day of August 1832. That I heard from his Comrades & from himself — that he was in said fight. That I was with him frequently during said Campaign and Texas of my own personal knowledge from the foregoing circumstances and from many other facts, that he was present as a soldier and served as such in said battle. That I have
