Personally came before me Samuel Harris a citizen and resident of Travis County State of Texas to me personally known who being sworn deposes and says that he believes that William Cannon of Rutersville County State of Texas sent to affiant his Certificate for a Pension issued some years since by the Comptroller of Public accounts of said State for the purpose of enabling affiant to collect what was due on it. But that affiant never collected any thing on it, and that he affiant has lost or misplaced said Certificate and cannot now find it.
