of Montgomery in the said State of Texas, where he has resided ever since and where he does now reside, Said Cartwright further sayeth that he believes himself in fact knows himself, to be justly entitled to a pension for his services to the Republic of Texas under the Pension act approved August 13 1879 – He was not wounded himself but his horse was killed in the battle of San Jacinto

M Cartwright

And the said John M Wade says that he knew said Mathew Cartwright now present before him in the years 1835 & 1836 at Lake Creek Settlement in the Municipality of Washington now the County of Montgomery that he saw said Mathew Cartwright in the army of the Republic of Texas as Green's plantation Stevens knew there as a member of Capt William Weis company of the Second Regiment in Col Sidney Sherrans Regiment. that he saw said Mathew Cartwright on the 21st day of April 1836 in the Battle of San Jacinto. where he had his horse killed, that he has constantly known said Cartwright from said year 1836 to the present date as a citizen of Montgomery County and that he now resides in said County

That said Cartwright is over fifty years of age and he does not doubt he is, as he says 55 years of age That he as Surveyor of Montgomery knows that said Cartwright received a ~~Donation~~ Bounty Warrant for 320 acres and that he surveyed the same for him on Mound Creek in the County of Montgomery and that he believes
