chiefly in reason of his special and permanent service under C. Smith, and also, because said Coffiow did not fight during the battle under the immediate orders of Affiant.

That the Gabriel Cattiow (by corruption Graviel) who rendered said Military service is the same man who has lately applied, for his military pension, and must be considered as having served during the campaign of 1836 as a member of Deaf Smith's Spy company.—

Also, and on the same day, personally appeared Captn Antº. Menchaca who under oath declare that Gabriel Coffias (by corruption Graviel Cattiow) is the same man who was a Texian volunteer, in the Campaign against Genl Santa Anna, in the year 1836; that he served during all the retreat, that his main and nearly exclusive service consisted in scouting under the orders of deaf Smith, he being one of his close neighbours and a friend, in San Antonio.— That, when in camp, he often joined his Mexican countrymen; but, in reason of his special service he was not considered as an active member of Compy of affiant, since he did belong to the command of deaf Smith.
