State of Texas
County of Travis

Know all men by these presents that We Wm H Tobin M.D. and J W Stalnaker M.D. both practising Physicians in the City of Austin State and County above mentioned, have this day examined Col S. L. Chambliss a Texas Veteran, and find him, with a disability from Gun Shot wounds of the Arm and leg, One wound in the right leg at the lower third passing of the thigh over the region of the Sciatic nerve, to the upper third at which point, it was extracted, also another gunshot wound, in the right ankle, and one gunshot in the fore arm, and an other wound of fore arm, The above described wounds, in our opinion though not of a character, to endanger life yet are sufficient, to prevent the said S L Chambliss, from obtaining a livelihood by manual labor.
