BURNS & JOHNSON,

Attorneys And Counselors At Law.

Brownwood, Brown Co., Texas. Dec 27th 1878

Hon Stephen A. Darden
Austin Texas

Dear Sir:

Enclosed find my necessary affidavits & Certificates for another Certificate of Pension &c which you will please file and send me Certificate. After you send me said Certificate of Pension I have to return it to Austin to some one to sell for me. There is no market here for such things. Can I not make some more expeditious arrangement by which I could have my agent in Austin to take my Certificate as soon as it is issued & remit me proceeds, instead of having to wait until you send to me, and I return to my Agent for sale? If so, how?

Respectfully
Wm Connell
