Mr Thomas B Cater

Dear Sir.

I sent a short time since transcript in case of Evan Corner as State application for annual pension from Atascosa County. Would like to have you get the case through for me and collect and remit me the money I enclosed a power atty with the papers. I understand your fees are $2.50 for getting the case through and $.75 for attending to the collecting thereafter. Am very willing to pay that. Corner is very old, and needs and deserves the money. He is very poor. He received Bounty land from the State which is located in Atascosa Co Abstract No 72.

Please let me hear from you at once.

Very respectfully

W Showalter
