Waco Texas Feb 24th 1873

To A Bledsoe Comptroler and
auditer of Public accounts Austin

Sir I Sent you the affidavits of
Joel B Brain and George W Jones
Some time in April Last and Requested
you to Send my pension Certificate
you paid no attention to me until I
Written Some half dozen times to know
If there was anymore proof wanting or If
my Documents ware informal &c

When you did write you told me that no
appropriation Had Been made to pay us &c
I Cant see what Difference that Could make
Necessity will Compel me to apply
to the Legistature If you dont do your duty.

With all the Respect due you I Remain

R J Brain
