The State of Texas } Before me
County of Bexar } a notary public in and for said County & State personally appeared Mr. Col. John N. Seguin to me well known & who having been sworn by me according to law upon his Oath does hereby declare and affirm that Francisco Cuellar who has made the foregoing (Affidavit) declaration is the same and identical man who at the time of the revolutionary war took part in the taking and storming of Bexar in the year 1835, that he joined the Texas forces at the old Mill, and came with Lieutenant Manuel Leal into after the battle of Concession had been sent to the Mission below San Antonio to give aid and assistance to the Mission, that said Francisco Cuellar, being sick with Chills & fever, was usefully employed in carrying provisions to the Volunteers who were fighting upon the Verramendi house, that it was owing to his bad health that he received the authorization to return near his family, shortly after the surrendering of the Texas that said Francisco Cuellar did not leave the Country to avoid & participate in the atrocities that the Mexicans committed on Assisted the Enemy and is considered a good honorable law abiding Citizen.—

Also personally appeared Captain Antonio Menchaca to me well known & having been duly sworn upon his oath declares and says that Francisco Cuellar the foregoing affiant for his services rendered as a member of the Texian troops that besieged and stormed the City of San Antonio in the year 1835 — that he was among the Mexican Volunteers who were besieged from the Texian Garrison Manuel Leal, & more specially attached to the Mexicans & Escaped Prisoners that on the day of —
