HAYS & WHITE,

Attorneys at Law, and General Land Agents.

Tyler, Texas, June 24th, 1871.

Hon. A. Bledsoe,
Comptroller,
Austin Texas:

Dear Sir: Yours of 9th inst to hand enclosing blank "oath of identity" for Thomas P. Davy, in regard to his services in the "Revolution which separated Texas from Mexico." We also received a former letter from you to the same effect some time ago. We would have had the matter sent up properly long ago, but Mr. Davy having unfortunately had his leg fractured, and living in the North-East part of Henderson county about 20 miles from this place, we have been unable to have the matter arranged. Mr. D. is now getting about however, and we have hopes of sending up the papers &c. rightly, in a short time.

Very Truly,
Your obt Servants,
Hays & White.
