Messrs Walton, Green, & Hill

Dear Sirs

Yours of June 10th was received yesterday I would say in reply that John Davis was organized in the same company (McNutt) with me, at Gonzales in 1836. before the fall of the Alamo Gibson Kuykendall being Lieut. At Brasos Kuykendall was elected Capt. We were discharged at Victoria, I could not swear that this John Davis was the same unless I could see him have not seen him in over thirty years. I would be glad to give him the certificate if he will come to my house on Onion creek 20 miles from Austin. four miles from Johnsons Institute and six miles South of Dripping Spring. Any thing that I can do for an old Soldier I will do cheerfully. My P.O. is Dripping Spring

Yours Respectfully

W. M. Perry
