Hon Jno H Morrison
Dear Sir

Please find enclosed all the testimony I have been able to collect, in the procurement of the pension due me from the state of Texas. This may or may not be sufficient in Law, but certainly presents an Equitable showing. I have written to several of my old Comrades in arms, and hope to hear from them soon, and if so, will furnish you additional evidence as to my rights as a pensioner.

Should you require any and further evidence please let me know by letter, either to myself in person, or to Mr Jno Johnson & Gooch at this place. If any special instructions in this matter let me know.

I am very Truly
Yours &c
E J DeBard
