State of Texas }
County of Devar } Before me Geo W. Caldwell a Notary Public in and for said County personally appeared Robt H Williams who being duly sworn on his oath deposes and says that he has been a citizen of Texas since the year A D 1824. That he has known Pedro de Morse, now a citizen of Guadaloupe County State of Texas since the year A D 1825 and that the said de Morse served under me while in charge of the Militia on Bay Prairie operating against the Caranchua Indians for about four years when said Indians were finally defeated. — I know he was in many of the engagements during the period when the Indians were overrunning the Coast County and was always efficient. I know he at all times render all the assistance in his power towards sustaining the cause of Texas in the Conflict between the Republic of Texas against Mexico until Independence was accomplished and the his heart and soul was with the cause of Texas —
