saw this same Charles F. Delmas at my house in Roma, Starr Co. Texas in 1872 when I discovered that he had a previous acquaintance with Margaret Norris who had resided several years in Roma and is well known to me. And I know that Charles F. Delmas (if living) still resides at San Carlos, Tamaulipas, Mexico, and that he is the same individual who is now applying for a pension from the State of Texas, and I have no doubt that he is the identical Charles F. Delmas who is entitled to the same."
