Hon. W. G. Swain,
Comptroller,
Dear Sir,

Comptroller's Office

Yours of the 24th instant in reply to my letter relative to the claim of Mrs Simona S. Fiske just received.

State officials have in some cases exercised their discretion in granting the claim of Veteran.

It would appear that the laws in Veteran cases are becoming more and more stringent at each session of the Legislature and also more expensive to the claimant.

I beg of you to accept from me an apology if I have been unfair or unjust to you, I was on that day 23. inst. considerable embarrassed financially (no fault of Yours)

Very Respectfully Yours
Edward Miles,
