State of Texas
County of Bexar } On the 23rd day of November A.D. 1874
Before me John Rosenheimer a Notary Public in and for the County of Bexar State of Texas, Personally appeared John N. Seguin — Ignacio Espinosa & Juan Ximenes to me well known who being duly sworn according to law upon their oaths declares and says that they are and have been well acquainted for many Years with Francisco Flores de Morales (alias Capt. Flores Morales) that it is to their personal Knowledge that said Flores de Morales embraced the Cause of Texas at the beginning of the Struggle for Independence in the Year 1835, and that he helped usefully that Cause, in the Capacity of a Spy during the Seige of Bexar by the Texian Patriots, that before the end of said Seige having been surprised he ran for life and reached the Texian Camp at the old Mill, and Continued mainly in his special service of a Spy. That at the Storming of Bexar he was among the Patriots who took that place, and Continued to Serve under order Scouting the Country and allways ready to answer the Command of his Superiors, that it was in one of the expeditions that he received 3 lance wounds; That he never left the Country of his birth (Texas) nor never helped the enemy or Sympathised with him, and from the beginning to the end proved himself a true patriot a daring Soldier and a good Texian.

They further state that it is of their Knowledge that said Francisco Flores de Morales has on the 7th day of Nov. Constituted for his Agent and Attorney in fact: David V. Whiting Esqr. of Austin City to act in his name and interest and to apply for the Military Pension to which he Considers himself justly entitled under the laws of the State, and to receive in his name all title, bonds vouchers Certificates and Warrants for his military Pension and to give full receipt and acquittance for the same.
