In the matter of the Application of Lucia Flores de Coxambio Widow of Julian Coxambio, for State Pension under existing Law.

On this Day Personally appeared Mrs Andrea Villanueva (Madam Candalaria) to me well known - who being duly sworn according to Law - declares & says in relation to above application -

I have known Lucia Coxambio since her childhood I also know personally her Husband Julian Coxambio, and that he was a Soldier in the Army of Texas, at the siege of Bexar in 1835 - I continued to know him until his death some years ago - I declare that the applicant is without property and dependant on charity and her feeble Labor for her support - That she is recognized in the Community as the Widow of a Texas Veteran -
