Office of H. L. W. TURNEY,

((Attorney and Counsellor at Law,))

Dyersburg, Tenn., March 30th 1875

Mr A. R. Wrozier
Dear Sir

Your favor of 23rd inst is received and the contents noted and in reply I would say Mr J. R. Smith will swear he served in the Texas Army and was known in the Texas Army by the name of Robert Smith and he can prove the same facts by James Smith - but there is no other man in this State now living that served in the same company with them - nor do they know any man in the State that served in the Texas Army - Thomas H Foulkes & Giles Drummond are both dead and they together with Bart S Ridings who is a citizen of Texas served in the same company with the Smiths (as the paroles I presume will show)
